

RE: Reapportionment of Magisterial Districts

1. We unanimously recommend that District #1 remain as it is.

2. We unanimously recommend that all of precinct number 8 and so much of precinct number 26 as is south of U.S. Highway 52 be added to the existing District #4. Though we are aware of the reluctance to divide existing precincts, it appears to us that there are only approximately 30 residents in precinct number 26 south of U.S. Highway 52; that U.S. Highway 52 constitutes a natural barrier or division line of these precincts; and that to leave that portion of precinct 26 which lies south of U.S. Highway 52 a part of District #3 will effectively leave these residents cut off from the remainder of the precinct.

3. By a majority vote, we recommend that precinct numbers 28 and 31 be added to the existing District #4.
